

Mathematics, Sciences & Technology Magnet

October 11, 2018

Dear Parents/Guardians:

All our professional educators are responsible for upgrading their skills and increasing their level of expertise through continuing course work or training sessions. At Star Elementary School, some of our teachers are currently taking courses to expand their expertise.

These teachers are:

Name	Current Area of Certification	Out-of-Field Subject
Samantha Gullett	Elem. Ed	ESOL
[Name obscured]	Elem. Ed	ESOL
Maria McPherson	[Area obscured]	ESOL
Debra Tate	Elem. Ed	ESOL
Marcia White	Elem. Ed	ESOL
Frika White	Elem. Ed	ESOL

During the course of the next year, the relevant courses will be completed.

If you have any questions or concerns, please feel free to contact me.

Sincerely,

Cheryl Quarles- Gaston,
Principal
