Directions to create the parent FOCUS Account can be found on [www.duvalschools.org/focus](http://www.duvalschools.org/focus).

FOCUS is used to track student's progress, download reports, apply for magnet options, set communication preferences, update contact info, and apply for transportation.

Scholars are required to wear the assigned grade level color collared shirts with navy blue bottoms. Pants, shorts, skirts are all permissible bottoms.

- o Fourth and Fifth Grade Scholars wear a BTSA Polo Shirt
- o Sixth Grade Scholars must wear a BTSA Shirt
- o Seventh Grade Scholars must wear a BTSA Polo Shirt
- o Eighth Grade Scholars must wear a BTSA Polo Shirt

BTSA students complete two grade levels in one academic school year.

The grade level is indicated by the course code and title in FOCUS. Students will double promote at the end of the school year once their transcript shows passing grades (C or higher) for all courses.

Semester 1 will be the grade level the student begins the school year within FOCUS. The students must successfully complete the courses with a C or higher to progress into the next semester.

Semester 2 will be the next grade level courses; however, the grade in FOCUS will not change (Nor will the shirt color) until the courses are successfully completed.
