			By participating in a Pathway, you are committing to complete the required progression of courses.		Students enrolled in Dual Enrollment courses must be enrolled in <b>SLS1103</b> during the 2024/25 school year if they have not already completed the course. FSCJ dual enrollment classes require college ready scores (with exception of SLS) and a 3.0 unweighted GPA. FHS offers dual enrollment through EWU, ERAU and FSCJ. See counselor for varying college and course requirements. Dual Enrollment rules are subject to change without notice. The college controls the rules of Dual Enrollment. These courses go on the high school and college transcript.
				Seniors only (with required documentation) 2.0 minimum GPA, earned the state ELA and Algebra 1 exams (or concordant), and earned an acceleration point or be enrolled in DE. Having a modified schedule may impact college admissions and Social Security status. See counselor for info.	
					parent(s)/guardian(s). I understand that once my schedule is made, a change requires counselor approval. I understand that courses options are subject to change without notice.
