### Notes from the Principal:

Our students have been working very hard in the New Year! We are gearing up for the Florida Standards Assessment. If you would like more information about the state assessment, please reach out to your child's teacher. We will be hosting a family night focused on the FSA in March. Please continue to encourage your child to pass their lessons on iReady and Achieve and improve on the monthly Acaletics math exam. We are monitoring this data closely and want our students to show consistent growth each month. -Ms. Gomez
